The B&D Builders Promise

B&D Builders is committed to designing and building the finest structures possible. We are a talented, hardworking team of individuals who thrive on working with our clients to envision and create spaces that not only fulfill their dreams but inspire others as well. Each of our buildings is a testament to our dedication to building it right or not at all.

Do you have what it takes to be part of our team?

Our Mission

To be the most sought-after custom builder of inspirational high-end structures for equestrian, residential, and commercial clients. This will be accomplished by our continued pursuit of industry knowledge and teaching future generations our craft. By acting with integrity and honoring our word, we will form enduring relationships with our employees and our customers.

Our Vision

We believe the best structures are based on a foundation of integrity and that our work is a direct reflection of who we are as individuals, an organization, and a community. We believe in building it right or not at all.

Our Shared Values

- *Integrity:* Being honest and forthright in all aspects in life
- *Accountability:* Holding ourselves and each other responsible for our work and our actions
- *Positivity:* Approaching every task and interaction with encouragement and enthusiasm
- *Trust:* Counting on each other to support our team and our customers
- *Innovation:* Continually learning and growing through action and accomplishments

Our Work

B&D Builders' portfolio of services includes design, construction, and renovation of both commercial and residential structures. We specialize in:

- Bank barns
- Equestrian facilities
- Event venues
- Homes
- Party barns
- Custom garages

And thanks to our family of brands, we're a one-stop shop for completing the projects of our clients' dreams:

Mid-Atlantic Timberframes provides old-world craftsmanship combined with modern CNC technology for timber frames that are second to none. The company's third-generation woodworkers ensure new timber frame structures will stand for generations to come.

Mid-Atlantic Steel Fabrication creates custom metal items such as gates, fencing, stairs, and railings using state-of-the-art technology and superior workmanship. Whether for homes, horse barns, or event venues, their products make a statement that lasts.

Vintage Millwork and Restoration adds the final touches that make a project distinct. Their doors, windows, cupolas, custom hardware, and other architectural elements are equally at home in both historic restorations and new construction.
